LETTER IN YOUR HOLY NAME. AMEN

**READ WHAT GOD IS DOING HERE AT SAINT MATTHEW'S CHURCHES.**

Dear Someone Connected with This Address,

People just like you are writing to this 53-year-old church, telling us of all types of blessings since this church started praying with them. They are receiving divine help in the form of answered prayer. Some are seeing loved ones saved, and many of them are receiving spiritual, physical and financial blessings of all types - better jobs, raises in salaries, being able to buy and sell homes, buying new cars, and so on. Actually, these dear people are receiving so many blessings that it is impossible to mention them all in a letter. And, as you will read in the enclosed brochure a sister used the same type of Bible faith prayer rug that we are sending to you, with this letter, and was blessed with almost \$50,000! Now, we must talk to you about something we see, in the Holy Spirit, concerning you and your family's needs.

**GOD'S HOLY BLESSING POWER IS IN THE ENCLOSED  
ANOINTED PRAYER RUG WE ARE LOANING YOU TO USE!!!**

WE MUST GIVE YOU THIS OPPORTUNITY FIRST. THEN IT MUST GO TO THE HOME OF ANOTHER DEAR FRIEND WHO NEEDS A BLESSING. You, or someone connected with this address, and another dear family are about to be blessed through this unusual, Bible Faith, Church, Prayer Rug, which we are placing in your care for these next 24 important hours. Because of any needs you are facing, we want you to use this Church Prayer Rug first, then we must pass it on to another dear friend of ours who also needs a blessing. As we pray for you and everyone connected with this address, WE FEEL THAT SOMETHING VERY WONDERFUL IS TRYING TO COME TO YOU.

When you use this Faith Church Prayer Rug, go into a room where you can be alone (just God and you). Turn off the television or radio and try to be by yourself when you kneel on this Holy Ghost, Bible Prayer Rug, or spread it over your knees. We want this Church Ministry, Prayer Rug to be touching both of your knees as you pray for the needs you are facing right now. It is going to be like you are kneeling before God All Mighty at the altar inside a great church of blessings. If you need more joy, peace, health, money, a new car, a new house, healing in family communication, or whatever, we, as a very old (53 years) church, want to know about it. Check your prayer needs on page two of this letter. Talk to us. This power you and this church ministry are about to use works!

These next 24 important hours are crucial to you. Timing is important to God. After you kneel on this Church Prayer Rug, or place it over your knees, place it in a Bible, on Philippians 4:19 (if you have a Bible - if not, it's okay - just slide it under your side of your bed, for tonight, if you can. (If you can't do this, it is okay.) Leave It There No Longer Than Tonight Only! God sees.

Then, in the morning it is a must that you get this unusual blessing Church Prayer Rug out of this house and back to us, here at the church's chapel prayer room, in faith. And, we must also have page two of this letter back, with whatever you need prayer for printed on page two of it. You must get this Bible Prayer Rug back to us so we can rush it onto another family that's in need of a blessing. Do this without fail. Please, do not break this flowing of power between us.

(Turn to page 2)

Notice the face of Jesus on this Church Prayer Rug. When you first look, you will notice that His eyes are closed. If you relax and continue looking straight into His eyes, you will see His eyes slowly opening, and He will begin looking back at you. Jesus sees your needs (Philippians 4:19). Use this unusual, important, Church Prayer Rug for tonight only.

Let us ask you: Would you like to have God's blessings upon your home, your family and finances? Say, "Yes, Lord Jesus, I do need Your financial blessings upon me and my family's finances!" Deuteronomy 28:6. Just put a mark (✓) by your needs below, telling us that you want prayer. Also, check any other needs you are facing. Pray about sowing a seed gift to the Lord's work. Give God your best seed and believe Him for His best blessing (St. Luke 6:38). Now, go and use this Church, Faith, Prayer Rug. The Lord is watching and waiting. You are about to enter the Holy Spirit of God right here in your home, through this faith exercise. Then, it is a must that you return it for another to use.

## BLESSED WITH \$46,000.00 AFTER USING PRAYER RUG...

**I** have four brothers, I still have both my parents. I'm married and have only a daughter that's four years of age. I'd like to share my wonderful experience that happened to me. On Feb. 22... which was a Sunday evening, my Mom received a letter from a friend to a friend. It was about your Prayer Rug that was sent in the letter. Well, before doing anything, I sat and read it about how fortunate a family who succeeded was. After I read everything I was alone and prayed for all, and that I would like things to go right for our own family and others as well... I prayed for us to have [a blessing] someday... I had only \$50.00 and that was to last until pay day which had to stretch for food and gas as well... \$46,888.20 has me out of debt. It seems as if it was just a dream but that little dream came true. The day was a cloudy day and sprinkled and I watched above the sky so high as if someone above me were reaching out to me. That one and only day was my special day to me... If I may have [more blessings] come again I would like to help others.
